

R2 Hydraulic Pump Hoist

2,000 lb. capacity

30 ft. high telescoping mast

6 ft. maximum layback

The R2 pump hoist was designed with economy and versatility in mind. Weighing 1,200 lbs, the rig was designed to mount on a half-ton pickup.

Hydraulic drawworks with enclosed oil bath gears give this rig a long life with low maintenance costs. This pump hoist is ideal for submersibles and small pump service

"Big things come in small packages."
